"Christmas Without You"

Frost on the window, just in from the cold,
Warmth of the fire feels so good to be home!
The time is near and I've been counting the days,
What more can I say?
The house is filled with ribbons and bows,
Silver bells, stockings over floors,
Decorating the Christmas tree,
Wishing you were here with me!

[Chorus:]

I'm listening to carols,
By Crosby and Cole,
Lots of kissing you under the mistletoe,
Oh the mirror is fine like snow,
But it won't be Christmas without you,
It won't be the same this Christmas!
Just won't be the same!

Feels like I'm leaving and make plan B,
Pretending that you're right next to me,
I'm holding onto these memories
Wishing you were here with me!

[Chorus:]

I'm listening to carols,
By Crosby and Cole,
Lots of kissing you under the mistletoe,
Oh the mirror is fine like snow,
But it won't be Christmas without you,
It won't be the same this Christmas!
Just won't be the same!

If I, if I could only have one wish,
You'd be the wish on my list,
Cause you're the most precious gift,
Baby to me!

[Chorus:]

I'm listening to carols,
By Crosby and Cole,
Lots of kissing you under the mistletoe,

Oh the mirror is fine like snow,
But it won't be Christmas without you,
It won't be the same this Christmas!
If you're not here! Oh, if you're not here!
It won't be Christmas without you here!
Just won't be Christmas, it won't be the same no
Just won't be Christmas
It won't be Christmas, if you're not here
Just won't be Christmas
Just won't be Christmas
If you're not here, if you're not here
This year
