I had some problems  
And no one could seem to solve them  
But you found the answer  
You told me to take this chance

And learn the ways of love, my baby  
And all that it has to offer  
In time you will see  
That love won't let you down

You said that you loved me  
Said, "Hurt only came to pass me"  
It sounded so convincing  
That I gave it half a chance

And learned the ways of love, my baby  
(Ways of love)  
There is so much love inside me  
And all that I have I give my all to you  
All, all my loving

And all this love is waiting for you  
My baby, my darling  
And all this love is waiting for you  
(All my love is waiting for you)

I had some problems  
And no one could seem to solve them  
But you, you, you found the answer  
So I gave it half chance

And learn the ways of love, my baby  
(And learn the ways of love)  
And all that it has to offer  
And all that I have, I give my all to you  
All, all my lovin'

And all this love is waiting for you  
My baby, my sugar  
And all this love is waiting for you  
(All my love is waiting for you)

All this love is waiting for you  
And all this love is waiting for you  
(All my love is waiting for you)  
My baby

(And baby all, baby all, all)  
And all this love is waiting for you  
My sugar, my baby  
And all this love is waiting for you  
(All my love is waiting for you)

Oh, I love how you make me feel this way  
My love is getting stronger every day, my baby  
And after all I went and put myself through  
I found that all I really needed was you, my darlin'

As the sun has its place up in the sky  
I love you so dearly  
And all the same, there's no need to wonder why  
I need you, please hear me

Say you really love me, baby  
Say you really love me, darlin'  
'Cause I really love you baby  
Oh, I really love you darlin'

Say you really love me, baby  
Say you really love me, darlin'  
'Cause I really love you baby  
Oh, I really love you darlin'

Say you really love me, baby  
Say you really love me, darlin'  
Oh, 'cause I really love you, baby  
Show me that love, darlin'

Say, say you love me, oh, I love you  
And baby all, all my love waitng for you  
My baby
