You know what?  
You're such a perfect lover,  
And baby you can do better with me,  
But you stand by me like a soldier,  
Sweet loving until,  
That's right baby!  
Set me up on a pedestal,  
Still love me more,  
It's a mystery why I'm so lucky,  
I keep trying to figure it out!

[Chorus:]  
Tell me how can you love me so much, girl?  
Put up with all of the crazy things I do  
How can you love me so much, baby?  
I can always count on you.

I think you're trying to tame me,  
Yes, you are!  
But I don't think you tryna change me no,  
Say I'm your diamond in the rough  
You're a lady with your man (Yes I am)  
I'm so unpredictable,  
Yet your love is so unconditional for me.  
I wanna know why!

[Chorus:]  
Tell me how can you love me so much, girl?  
Put up with all of the crazy things I do  
How can you love me so much, baby?  
I can always count on you.

I recall so many days,  
Walk through the door and walk on my selfish ways,  
But you remained just as beautiful,  
You never ever ever change,  
Your love is strong,  
It goes on and on.

Girl, put your weight on my shoulders,  
I'll carry, that's what good lovers do!

I'll have a strong empleasing for you,  
Girl tonight, this is all about you.

[Chorus /w ad-libs: x2]

Tell me how can you love me so much, girl?  
Put up with all of the crazy things I do  
How can you love me so much, baby?  
I can always count on you.

You're special girl, you're special baby
