"Skate Or Die"

Shutting down sea captains
On a Sunday afternoon
No care in the world
There's no way that I'll be home soon
I have my socks pulled up
And my hat flipped back
I'm a heat seeking missile
On a one way track
This day means so much to me

I can't stop now
No I'll never slow down
I'm going to ride till my body turns to fire
God bless
You and your home
But I've got to do this one on my own
Live to ride
Skate or die

Leaning back and power-sliding
With one thing on my mind
Going to live my life and skate will the end of time

I can't stop now
No I'll never slow down
I'm going to ride till my body turns to fire
God bless
You and your home
But I've got to do this one on my own
Live to ride
Skate or die
Every day I live to ride
So I'm going to skate or die

This open road is my ticket to freedom
Walk out my back as I seek your kingdom
This open road is my ticket to freedom
Walk out my back as I seek your kingdom

Live to ride
Skate or die

Every day I live to ride
So I'm going to skate or die
And every day I live to ride
So I'm going to skate or die
