DON'T LET YOU'RE EYES GO SHUT ON ME
I WON'T LET YOUR VOICE BE SILENCED
SILENCED

Blood is dripping from my hands
Tell me is this what you wanted?
I'm the one that walked away
For me
It's all that I needed
With nowhere to turn, I'll find truth

Only with you
What's left of me is yours to keep
WHAT'S LEFT OF ME IS YOURS
Only with you
What's left of me is yours to keep
WHAT'S LEFT OF ME IS YOURS

OH!
ONE LAST CHANCE FOR SALVATION
SALVATION

See this empty hole inside
Tell me to keep going deeper
I'm the one who runs away
It's true
I'm lost on the outside
With nowhere to turn I'll find truth

Only with you
What's left of me is yours to keep
WHAT'S LEFT OF ME IS YOURS
Only with you
What's left of me is yours to keep
WHAT'S LEFT OF ME IS YOURS

Breathe you in and it's all over now
When my arms open (When my arms open)
Breathe you in and it's all over now
When my arms open
Breathe you in
I'll breathe you in

Breathe you in
I'll breathe you in!

BREATHE YOU IN AND IT'S ALL OVER NOW
My arms open
When my arms open
BREATHE YOU IN AND IT'S ALL OVER NOW
My arms open

OH!
I'm DROWNING
OH!
I'm DROWNING
I'm DROWNING!
FORGIVE ME
FORGIVE ME
FORGIVE ME
