"Back From The Dead"

Close to the edge
That's where I stand
Dancing with fire
With a match in each hand
Had a mind filled with fear
And a heart full of rage
One step from insanity
One step from the grave

[Chorus:]

But I'm back from the dead
Starting over man
Something to believe in
Something to live for

Gave up the ghost
A long time ago
My hearts still beating
How I don't know
I fell down on my knees
Covered my face
I begged for mercy
But instead I got grace

[Chorus:]

Now I'm back from the dead
I'm Starting over man
Something to believe in
Something to live for

Yeah I'm back from the dead
And I feel so much better man
Life is worth living again
Now that there's something to live for
Something to live for

Something to live for
Something to die for
Something to hold on to
Someone who loves me

But even more importantly
I finally learned to rule
Myself

I was so lost
No where to be found
If not for Heaven
Where would I be now?

[Chorus:]

But I'm back from the dead
Back from not living here
I know where I'm going
Now that there's something to live for

Now I'm back from the dead
Starting all over man
Life is worth living again
Now that there's something to live for
Something to live for
Something to live for
Found something to live for
Someone to live for
