I saw our future in her eyes
We searched for love amidst the lies
I didn't mean to draw her in
To a fight we'll never win

And I sigh as she becomes like jelly in my hands
Jelly in my hands, jelly in my hands
She becomes like jelly in my hands
Jelly in my hands, jelly in my hands

She told me things I never heard
And I just drank her every word
We swallow all that love can give
'Cause love's the reason that we live

And I cry as she becomes like jelly in my hands
Jelly in my hands, jelly in my hands
She becomes like jelly in my hands
Jelly in my hands, jelly in my hands

Jelly in my hands, jelly in my hands
Jelly in my hands

She crossed our T's with her gazing eyes
Knew it all was finalized
Built this love on sinking sand
And I'm ashamed that I'm afraid to lend a hand

As she becomes like jelly in my hands
Jelly in my hands, jelly in my hands
She becomes like jelly in my hands
Jelly in my hands, jelly in my hands

Jelly in my hands, jelly in my hands
Jelly in my hands
