So you're scared to show your feelings
Baby I do understand
I don't make a promise I can't keep
I vow to be a real good friend

In those big green eyes
I see a glow of love
I just hope that
I'm the one you're dreamin' of

Let me be the one to love you
Let me be the one to care
Let me be the one to light your flame
Oh baby, oh baby
Let me be the one

We spend all our time together
We can't stand to sleep alone
When you say you have to leave for now
I miss you before you're gone

All along we thought this was absurd
Every moment that you spend goes by too fast
Darlin', darlin' take this chance with me
As I have eyes only for you, oh baby

Let me be the one to love you
Let me be the one to care
Let me be the one to light your flame

Oh baby, come on
Let me be the one

Let me be the one to love you
Let me be the one to care
Let me be the one to light your flame
Oh baby, come on
Let me be the one for you

Don't be scared to show your feelings
'Cause baby I do understand
I don't make no promises I can't keep

I vow to be a real good man

All along we thought that this was absurd
Every moment that we spend goes by too fast
Darlin', darlin' take this chance with me
'Cause I have eyes only for you

Let me be the one to love you
Let me be the one to care
Let me be the one to light your flame tonight
Oh baby, baby, baby

Let me be the one to love you
Let me be the one to care
Let me be the one to light your flame tonight
Ohh
