My friend

Put your head on my shoulder  
No need to worry 'bout a thing, no  
I'll be the cure for your loneliness  
I'll make you feel like you're whole again, yes, I will

You can always count on me wherever I may be  
When this world's got you feelin' blue  
Call on me and I'll run to you, my friend, yeah, my  
friend

Listen, baby, on my wings we both can fly  
'Cause there's no burden big enough, no, no  
And when you're hurtin', baby, so am I and we'll both  
cry  
There's nothing stronger than our love

And you can always count on me wherever I may be  
Oh, I'm gonna find the way to a better day  
My friend, you're my friend

So let me be the one to save you, oh, hold on to me  
'Cause it's the least that I can do, oh  
And you don't have to return the favor, no, no, no  
Because I promise you, oh, we're gonna make it  
through  
My friend

So let me be the one to save you, darling  
'Cause it's the least, it's the least that I can do  
And you don't have to return the favor  
'Cause I promise you, my friend

Put your head on my shoulder  
No need to worry 'bout a thing  
Oh, when you need me, I'll be there in a hurry, baby  
Please call on me, time and time again  
'Cause you're my, my friend
