Rev it up
Let it go
Don't hold back
Let it show
Its your team
Let em know
Put em to the test
Lets see whos the best
Rev it up
Everybody start your engine
Line 'em up lets put em to the test
Slam the pedal to the floor
Cause today were gonna find out whos the best
Oh yes
Expect nothing less
Cause weve got Earnhardt and Andretti
Verses Gordon in his Chevy once again
When Daytonas hot and heavy
Don't you count out Mr. Kyle Petty, he fights to win
Till the end
Rev it up
Let it go
Don't hold back
Let it show
Its your team
Let em know
Drive it on the edge
NASCAR pulls ahead
Rev it up
When the cup is in Miami
Oh man, you're sure to feel the heat
And when Labontes at the Glen
With those curves that never end, you're on you feet
Its warp speed
Talladega, California, Darlington I gotta warn ya
The place is crazed
And if you think Stone Cold scare ya
Just try to pass on Mr. Dale Jarrett, to set the pace
Oh what a race
Rev it up
Let it go
Raise your hands

Let it show
Its your team
Let em know
Drive it on the edge
NASCAR pulls ahead
NASCAR rocks
Rev it up
NASCAR rocks
