I knew that this moment would come in time  
That I'd have to let go and watch you fly  
I know you're coming back so why am I dying inside  
Are you searching for words that you can't find?

Trying to hide your emotions  
Eyes don't lie  
Guess there's no easy way  
To say goodbye

I'll be standing at the edge of the earth  
Hoping that someday you'll come back again  
I'll be standing at the edge of the earth  
Hoping for someday, someday

Don't misunderstand what I'm trying to say  
I don't want to let you leave this way  
I want you to know that  
I stand right by your side

And I know this may be  
The very last time  
That we see each other cry  
Whatever happens know that I'll

I'll be standing at the edge of the earth  
Hoping that one day you'll come back again  
I'll be standing at the edge of the earth  
Hoping that someday you'll come back to me  
I'll be praying for whatever it's worth  
Believin' that one day you'll come back to me  
I'll be standing at the edge of the earth  
Hoping for someday

I know this may be  
The very last time  
That we see each other cry  
But whatever happens know that I'll

I'll be standing at the edge of the earth  
Hoping that one day you'll come back again  
I'll be standing at the edge of the earth

Hoping that someday you'll come back to me

I'll be praying for whatever it's worth  
Believing that one day you'll come back again  
I'll be standing at the edge of the earth  
Hoping for someday

Waiting for someday believing in someday  
Praying for someday  
I'll be, longing for someday clinging to someday  
Cherishing someday

I'll be, thinking of someday, dreaming of someday  
Wishing for someday  
I'll be, living for someday, counting on someday  
Knowing that one day, I will see you
