Said to myself, I'm the man I got a pocket full of money  
Certs in my mouth in case my breath gets kinda funky  
I saw this hottie staring right at me  
She kinda looks like that chick that did that video with  
Tommy Lee  
Oh man is she coming over? I gotta...  
Get this show on the road yea yea yea  
She said "Where have I seen you before  
And if you didn't like that one well I got about 20 more  
I need a mack diggedy daddy, ta take me out in his  
caddy  
And we can kick it till the briggedy briggedy break a  
dawn"  
I said "It sounds like fun, but I ain't widdit"  
"But if you're a good boy I just might let you uhh-  
ummm"  
"Hold my hand because I ain't about the wham bam  
thank you ma'am  
I hope ya understand that..."

I don't want Britney tonight  
And Salma, yea she's alright  
And I've seen Buffy and she don't slay me  
Cause baby you're just the type  
I'll stay up and talk to all night  
Would you be the star in my storybook life

My storybook life

I drove her home and she was feeling kinda frisky  
I told her nighty night and then she asked if she could  
kiss me  
She said, "Don't you wanna spend the night".  
And then she bit me on the ear I felt like I was in a  
Tyson fight  
Oh God she's losin' control now...So I said...  
I just want someone to hold, yea yea yea

Mariah, she ain't for me  
That brunette on V.I.P.

She don't hold a candle to you  
Cause baby you're just the type  
I'll stay up and talk to all night  
Would you be the star in my storybook life

Baby you're just the type  
I can talk to all night  
Be the star in my storybook life

Sabrina, Felicity  
Meg Ryan, I won't lose sleep  
You can keep your Halle Berry  
Cause baby you're just the type  
For this show "Mrs. Right"  
You can be the star in my storybook life  
In my storybook life  
This is my storybook life
