Amy woulda died for me
She would've had my baby
If I needed a favor
It was yes, she never said maybe
And all the time that we walked barefoot in the sand
Somehow we never felt the rain
Now I got nothin but time
Nothing but mine
I could walk off the hurt
Run through the pain
Wipe all the tears pouring down my face
Deny the dream, that just never was
Oh girl
I just can't walk off the buzz
Amy used to call me all the time
But she hasn't lately
I wonder if she goes out at all
And if she's dating
And every time I walk alone along the beach somehow
I always feel the rain

So many times I wished for my space
Now I wish I didn't feel so outta place
I could walk off the fear
Crawl through the hate
Beg you to forgive, my every mistake
Pretend you and I, it just never was
Oh girl
I just can't walk off the buzz
And now that I'm lonely
I see you were the only one
Who ever knew me and could
See right through me
I could walk off the hurt
Run through the pain
Wipe all the tears pouring down my face
Deny the dream, that just never was
Oh girl
I just can't walk off the buzz
I just can't walk off the buzz
I just can't walk off the buzz
