Way over yonder
Is a place that I know
Where I can find shelter
From the hunger and cold
And as we tasted good life
Is easily found
Way over yonder
That's where I'm found
That's where I'm found

I'll know when I get there
The first thing I'll see
Is the sun shining golden
Shining right down on me
Then trouble's gonna lose me
Worry leave me behind
I'll stand up proudly
In a true piece of mind

Talking bout talking bout
Way over yonder
Is a place I have seen
In a garden of wisdom
From some long ago dreams

Maybe tomorrow
I'll find my way
To the land where the honey runs
In rivers each day
And as we tasted good life
It's so easily found
Way over yonder
That's where I'm
That's where I'm found
Talking bout
Talking bout
Way over yonder
That's where I'm found
