Look into my eyes
Tell me you're alive

Look in to my eyes
Can you hear me now?

Can you hear us now? Speaking the words that would
never cross your mind.

Can you see us now? Hope you found a place to bury
the bodies, and you can't live without it.

I'm in your head!
I won't forget!

Your love is dead!
And you got nothing left.
Your promises!
Have all been broken.

Sorry to say
We're so better off
Sorry to say
You're not.

Can you hear us now? Speaking the words that would
never cross your mind.

Can you see us now? (Can you see us now?)
Hope you found a place to bury the bodies, and you
can't live without it.

And you can't breathe without it!
And you can't live without it.

Yea

Don't try so hard...
You're a liar, you don't need to breathe!
You said, you said, you said we're DONE!
We see right through you...

Can you hear us now? (Can you hear us now?)
Speaking the words that would never cross your mind.

Can you see us now? (Can you see us now?)
Hope you found a place to bury the bodies, and you
can't live without it.

And you can't breathe without it!
And you can't live without it.
