If you say you love me  
Why don't you care for me?  
And if you take my hand  
I will rescue you

And if you feel you're falling  
Now I'll be there for you  
And if you change your mind  
I won't bother you

Honey Child  
Welcome on the ride  
It's your crap conversation  
It's yourself that's on the line  
Maybe tomorrow I will want to settle down  
Don't you forget it 'cos I'm down

If you say you love me  
Why don't you care for me?  
And if you take my hand  
I will rescue you

And if you feel you're falling  
Now I'll be there for you  
And if you change your mind  
I won't bother you

Come help me out  
And we'll shake on what we have  
Now let's make it better  
'Cos I've had enough of lies  
Congratulations - Now you've seen what I've become  
Baby don't you forget it 'cos I'm down

If you say you love me  
Why don't you care for me?  
And if you take my hand  
I will rescue you

And if you feel you're falling  
Now I'll be there for you  
And if you change your mind

I won't bother you
