Hey man, hey man you don't know much about my plan
cause I'm going along
Hey Dad, you're mad I don't need anybody tellin' me to
do what I don't

Hey little brother you keep on fishin',
you keep on missing,
you'll never catch me man,
Back off little sister,
just keep on talking,
just keep on knocking,
cause I won't let you in

Na Na Na La ... La La La La

God damn, god damn
I was the man who took a chance when it wasn't safe
Cry baby, cry baby
you don't know how to let your hair down and have
some fun

Hey little brother you keep on fishin',
you keep on missing,
you'll never catch me man,
Back off little sister,
just keep on talking,
just keep on knocking,
cause I won't let you in

Na Na Na La ... La La La La

God damn, god damn
I was the man who took a chance when it wasn't safe
Cry baby, cry baby
you don't know how to let your hair down and have
some fun

Hey little brother you keep on fishin',
you keep on missing,
you'll never catch me man,
Back off little sister,
just keep on talking,

just keep on knocking,
cause I won't let you in

Na Na Na La ... La La La La

The sun is shining.
