Snot nose faggot in your black bandana
Man you really think youre tough to def
Talking to you girl, nokia in your right hand
Steering momma's benz with the left
You aint really never seen no gangsta shit
Cause if you did, you would piss on yourself
Bumpin' too much Tupac, thinking youre a rider
In reality youre playin' yourself - HA!

La La La La La
Youre not a tough guy
I said La La La La La
Youre not a tough guy

Chorus:
Cause you're just thuggin in the suburbs
And you better watch yourself
Cause when you're thuggin in the suburbs
You might run into real gangstas

I know some brothas who will blow your back out
Only just because you look at 'em wrong
You run around talking bout you think you gangsta
Cause you heard somebody rap in a song
You aint really ever seen no gangsta shit
Cause if you did you would leave it alone
Goin to your school, you need to ask your counselor
Gangstas don't live that long! - HA!

La La La La La
Youre not a tough guy
I said La La La La La
Youre not a tough guy

(Chorus)

East Side, East Side
Yo man, you gonna have to ease up on that
Linkin/Bizkit happy ass echo scratch shit
Now we got Orange Country thuggin
Buckhead thuggin, Cape Cod thuggin

Boca Raton, please!
Peekskill thuggin, East Hampton thuggin
Malibu thuggin
Scottsdale PLEASE!

(Chorus)

Youre not a tough guy
PULL YOUR PANTS UP! x4
