Gouge out your eyes, pull your heart to the floor,  
With my heart, my skin, my kiss.  
Stand back drop to your knees,  
I'll stand back as you bleed.  
My heart, my skin, my kiss,

This blade it feels so cold, baby hold me while, I'm  
shaken,  
This knife has pierced my soul, I sit alone while, I'm  
shaken,  
And yes I'll laugh out for you, with blind eyes, I'm  
shaken...

Gouge out your eyes, pull your heart to the floor,  
Sweetness loves me, tastes me, hears me.  
Stand back drop to your knees,  
I'll stand back as you bleed.  
Sweetness loves me, tastes me, hears me...

This blade it feels so cold, baby hold me while, I'm  
shaken,  
This knife has pierced my soul, I sit alone while, I'm  
shaken,  
And yes I'll laugh out for you, with blind eyes I'm  
shaken...

Take me out of this place... Take me out of this place...  
Out, take me out, take me out, take me out...  
Out, take me out, take me out, take me out...  
Take me, take me, take me out...

Gouge out your eyes, pull your heart to the floor,  
My heart, my skin, my kiss.  
Stand back drop to your knees,  
I'll stand back as you bleed.  
Sweetness, Sweetness.  
Yes I am, Yes I am, Yes I am, Yes I am out.  
Sweetness, sweetness.  
Kill me...

Gouge out your eyes, pull your heart to the floor,  
With my heart, my skin, my kiss.

Stand back drop to your knees,  
I'll stand back as you bleed.  
Sweetness loves me, tastes me, hears me,

Wait for them to come on in and take you,  
Away from me again.  
Wait for them to come on in and take you,  
Black rose dying.
