Keep all the memories,
All that means to me,
Close to you.
Keep all the memories,
All that means to me,
Close to you.

It's so hard for me,
To let go of you,
But I'm coming back,
I'm coming back.
And you are the reason,
That I've been waiting for.

She said "I'm going quickly,
It's getting harder to keep my head above",
I've never known all the answers,
But I'll find a way,
Don't forget.

It's so hard for me,
To let go of you,
But I'm coming back,
I'm coming back.
And you are the reason,
That I've been waiting for.

The road is getting darker,
You've been dying to find your inspiration,
Don't leave, let me find a way.
Don't let go, we'll find a way.

It's so hard for me.
To let go of you,
But I'm coming back,
I'm coming back.
And you are the reason,
That I've been waiting for.
(That I've been waiting for.)

Keep all the memories,
All that means to me,

Close to you.

It's so hard for me,
To let go of you.
And you are the reason,
That I've been waiting for.
But I'm coming back,
Cause you're the one,
That I've been waiting for,
That I've been waiting for.
