YOU SCREAM DON'T LOOK
YOU SCREAM DON'T TOUCH
WHAT HAVE THEY DONE
WHAT HAVE I NOT
'cause every time i think about your voice i,
START TO TREMBLE AND MY THROATS ACHING
'casue anytime you need a shoulder
I'M RIGHT HERE!
just gotta find a way, A WAY!!!
She sits alone and tries to adjust
she cries, "Please let me go, I won't tell anyone."

You scream don't look
Oh, please God don't TOUCH
YOU SCREAM DON'T LOOK YOU SCREAM DON'T TOUCH
WHAT HAVE THEY DONE WHAT HAVE I NOT
cause everytime i think about your voice i,
START TO TREMBLE AND MY THROATS ACHING
cause anytime you need a shoulder
I'M RIGHT HERE
just gotta find a way...
