Now I Pray
Heart's Been Slayed
Tears Come Down
I'm Broken Down

I'm waiting for my life to end
Dear God please let me leave
Far from home I'm all alone
This all is way too deep

I've left behind my happy life
And I'm still asking how I died

Lay down
Pray now
Lay down
Pray now

I'm walking through the cold of night
So I can see your face (whispers)
At your window I will stand
Your smell I will embrace

My lies in yours
And your in mine
And now I know
Just how I died

Lay down
Pray now
Lay down
Pray now

Oh

Lay, lay down 6x

Lay down
Pray now
Lay down
Pray now
