Keep your eyes focused this time.
Keep us in front of your sight.
I've waited long for this.
Now it's our time for bliss.
I just hope we have the time.
I stand broken.
Please God hear my cries.
He does everytime.

How many times have you watched me fall just to
smile?
I've been through thick and thin.
We've struggled through.
Now we smile.
So we're here now.
Just be ready.
Brace yourselves cause, we're not leaving.

Keep your eyes focused this time.
Keep us in front of your sight.
I've waited long for this.
Our time to shine.

I just hope we have the time.
I stand broken.
Please, God hear my cries.
He does everytime.
