Yeahhhhhhh--(scream)
I'm leaving the same way I came in
Looking forward but I can't see straight
It's just like I know where I'm going
It's just like me to fool myself
I'm what hap... pens (happens)--(scream)
Buried by the words of a liar
I'm what haaa... ppens (happens)--(scream)
But I'm alive and I'm still breathing yeah
The day becomes so altered
You didn't say enough, we were mistaken
My mind plays it over and over

Slow motion
But we're moving faster, moving faster
So much further
Let's not lose control
Light a match just to watch it burn
Struck
Light a match just to watch you burn
Where are you going? How far?
Where are you going?
Let's give them HELL!

The day becomes so altered
You didn't say enough, we were mistaken
My mind plays it over and over

Slow motion
But we're moving faster, moving faster
So much further
Let's not lose control
I'll bite the bullet
Just to save myself Oh!
Oh no, this ship is quickly sinking
We gotta take control, gotta take control
Oh no, this ship is quickly sinking
We gotta take control, gotta take control

Slow motion
Now we're moving faster, moving faster
So much further

Now we're moving faster, moving faster
I'll bite the bullet
