I know I'm not there to hold you,
Look up, see the sky that I do.
You make me the happiest of men,
I am the happiest of men.

And if God takes me before you,
I just want you to know, I love you.
And you made me the strongest of all men,
I'll remain the happiest of men.

(The happiest, the happiest, the happiest of men).
(The happiest, the happiest, the happiest of men).

You made me the strongest of all men,
I'll remain the happiest of men.

(The happiest, the happiest, the happiest of men).
(The happiest, the happiest, the happiest of men).

I miss you,
Baby close your eyes.
Let's meet...
In our dreams tonight.
