Ooh

You were lookin' away from me  
Western skies callin' you  
Colors spillin', runnin' dazzling you  
I was looking the other way  
Voices call from the east  
I saw my roots of the tree there planted at my feet

It could be I'm searchin'  
For a place so small  
With room for everything  
Where world on worlds revolve  
But how can we wait?

I wouldn't hold you, no  
I wouldn't hold you  
I wouldn't hold you back

Suppose I was the clever one  
And words came easy to me  
I could say  
I was writin' a song about you, you and me  
Maybe that verse is yet to be found  
But waits inside of me  
A secret room, a tangled web to unweave

It could be I'm searchin'  
For a place so small  
With room for everything  
Where world on worlds revolve  
But how can we wait  
Knowing our ways  
How can we hold on?  
Still you know it's not too late

I wouldn't hold you, no, I wouldn't hold you  
I wouldn't hold you back  
I wouldn't hold you, no, I wouldn't hold you  
I wouldn't hold you back  
I wouldn't hold you, no, I wouldn't hold you  
I wouldn't hold you back  
I wouldn't hold you, no, I wouldn't hold you

I wouldn't hold you back
