[Jimmie Dale Gilmore]

Chorus:

Did you ever see Dallas from a DC-9 at night?

Dallas is a jewel

Yeah, Dallas is a beautiful sight

Dallas is a jungle

But Dallas gives a beautiful light

Did you ever see Dallas from a DC-9 at night?

Now Dallas is a woman who will walk on you when
you're down

But when you are up she's the kind you wanna take
around

Now Dallas ain't a woman to help you get your feet on
the ground

And Dallas is a woman who will walk on you when
you're down

Oh, I came into Dallas with the bright lights on my mind
I came into Dallas with a dollar and a dime

Dallas is a rich man with a death wish in his eyes
A steel concrete soul with a warm-hearted love in
disguise

A rich man who tends to believe in his own lies
I say, Dallas is a rich man with a death wish in his yes

Oh, I came into Dallas with the brights lights on my
mind

I came into Dallas with a dollar and a dime
