Detroit, L.A., Boston, San Francisco, so much there to
see inside of a week they came looking for something
new circle slowly JFK, first time o'er the ocean on a
plane a billion stars below me lay, try to press it flat
inside of a few days Old Dominion Saturday,
Arlington's eternal flame Sunday tour Niagara Falls in
the mist. try to press it flat inside of a few days what a
wonderful stay, Tuesday's Tupelo Elvis's home . . .
Monday I'll be heading south New Orleans the Cajun
sound on a mule Grand Canyon ride on Wednesday, in
the glacial mountain sun hop a train for Canada hope
to get to Denver in a day Friday ride to Washington, try
to press it flat inside of a few days what a wonderful
stay to the east they came looking for something new
