(Love among the ruins)  
The sky was falling  
(Love among the ruins)  
Heaven was calling  
(Love among the ruins)  
When danger crashes  
(Love among the ruins)  
Rose from the ashes

Like two statues hidden inside ancient rock  
We were prayin' for the secrets to unlock  
And when the sun had turned its back on us  
Oh, in the dark our love kept track of us  
Oh, pushed together by the lack of love  
Oh, love among the ruins

(Love among the ruins)  
The sky was falling  
(Love among the ruins)  
Heaven was calling  
(Love among the ruins)  
When danger crashes  
(Love among the ruins)  
Rose from the ashes

We held each other tightly through our hell of dreams  
I still hear the never ending echo of those screams  
But it's a life not made for reliving  
It's a life that makes your soul forgiving  
We sealed our bond from the beginning  
Oh, love among the ruins

Aching, affection, vulnerable protection  
Falling, captured, crawling, rapture

(Love among the ruins)  
The sky was falling  
(Love among the ruins)  
Heaven was calling  
(Love among the ruins)  
Oh love, love
