Music by 10,000 Maniacs - Lyrics by Mary Ramsey

Out through the foggy window there  
Just to see the eyes of my future children  
Looking back at me  
Back through the foggy window  
On and on  
Miles pass years turn over  
On and on  
There from that rolled down window  
Ponies run free cradled protectively  
There in the greenery somewhere  
I keep this picture  
On and on  
Miles pass years turn over  
On and on  
For all the roads we've travelled  
And all the bridges burned  
I was thinking out loud the ways of the world  
That all seem so constant  
How few of the lessons we really have learned.  
Out through the foggy window frozen in frame  
Capturing passing pictures life's last refrain,  
Memories ashes scatter  
On and on  
Miles pass years turn over  
On and on.
