These are the days, ohh

These are days, you'll remember  
Never before and never since, I promise  
Will the whole world be warm as this and as you feel it

You'll know it's true that you are blessed and lucky  
It's true that you are touched by something  
That will grow and bloom in you

These are days, you'll remember  
When may is rushing over you with desire  
To be part of the miracles you see in every hour

You'll know it's true that you are blessed and lucky  
It's true that you are touched by something  
That will grow and bloom in you

These are days

These are the days you might fill with laughter until'  
you break  
These days you might feel a shaft of light make it's  
way across your face  
When you do you'll know how it was meant to be

See the signs and know their meaning  
It's true, you'll know how it was meant to be  
Hear the signs and know they're speaking to you, to  
you
