Chorus:

(Mixx scratches "I can't go for that" and "nooo")

Verse 1: Fresh Kid Ice

Have you ever met a girl who dressed real fly  
And wanted all the things that your money could buy?  
She wanted gold chains, a brand new Louie  
You gotta spend money to get that coochie  
She'll find a man who thought he was raw  
Then leave him heartbroken when his money was no  
more  
She'll get any man and treat him nice  
Now she wanted me, the Fresh Kid Ice  
But I knew her game, and that's a fact  
I'm sorry to say that ...

Chorus

Verse 2: Brother Marquis

You're taking my kindness for a weakness  
I find out your game with the quickness  
I'm streetwise; I can see no good  
'Cause that's the law in my neighborhood  
You think that you're slick, and you can get over  
But not on me, Marquis, your brother

When I first met you, you seemed to be different  
Now you're askin' me for money? I ain't with it!  
You don't love me, so stop lyin'  
Don't try to run a guilt-trip down by cryin'

Chorus

Verse 3

[FKI] Women these days aren't realistic  
They'll drive a man crazy 'cause they're materialistic  
Always wantin' things we can't afford  
And when we say no, they pretend to be bored  
[BM] You can't fool me or see through me  
There's something about you that just gets to me  
You're scummin, and bummin', I hate to see you come  
and

Want to get in my pockets? You gets nothin'!  
"Baby, don't trip me," what's up with that?  
I ain't no sucka, I can't go for that!

Chorus
