I bumped into her at the Coco Cabana Down in Cuban town in little Havana I asked her her name, she said, Juanita I just had to ask 'cuz I just had to meet her I heard of fast girls but she's a speeder

She said she was hungry and told me to feed her So I got an expresso and a hot burrito You look so sweet you fine senorita Mamalopenga, mama sita It's a black thing, baby, so you know it's sweeter

Okay Juanita, now I must be your guy She said, Juanita's my nickname, call me Spanish Fly

Bueno, tal vez te pueda hacer el favor Pero solo si t $\tilde{A}f\hat{A}^{o}$  me mamas la chocha Y despu $\tilde{A}f\hat{A}$  ©s yo te mamo la pinga Sigue

Black girls, white girls, even Puerto Ricans But the Mexicans and Cubans are all so freakin' I like 'em in dresses with big 'ole chesses I also like the style and the way she impresses

The fragrance of her perfume smells like roses She's guaranteed to turn heads whenever she poses She lives in Miami and of Latin descent And being with her is how my time should be spent

I met her in the berries on a Friday night Dressed in a soft silky dress color virgin white I said, "Hey pretty lady, just suck on my finger And tonight you're the one to Mamalopenga"
