Intro: Mr. Mixx

YEAHHHHHHH, BA-BYYYY!! It's the boys, we gon' do it like this, one

time for ya mind! All the boys in the house ...

y'knahmsayin!

Repeat after me, yo -

Say, "Hey! We got them hoes! We got them hoes!"

(Hey! We got them hoes! We got them hoes!)

Yeah, say "Hey! We got them hoes! We got them hoes!"

(Hey! We got them hoes! We got them hoes!)

Verse 1: Fresh Kid Ice

When I get the hoes I let all the boys fuck 'em

[Yeahhh!!]

No matter what she says, she still got to suck 'em

'Cause bitches will be bitches even when I'm dead

[Riiight!]

And if I can't fuck, then I'll take some head

'Cause you gotta dog a hoe whenever you can

'Cause bulldaggers run game for every man [True!]

To all raggedy bitches, you ain't really nothin'

'Cause when I get a hoe I LET ALL THE BOYS FUCK

'ER!!!!

Chorus: Mr. Mixx

When we get them hoes, when we get them hoes,

When we get them hoes, we let ALL the boys fuck 'em!

(When we get them hoes, when we get them hoes,

When we get them hoes, we let ALL the boys fuck 'em!)

Verse 2: Brother Marquis

In the fuck game there ain't no rules

Give it up smooth, put me in there cool [Yeahhhh!]

'Cause it's your delight to fuck with fate

You're looking for a way to close the gate

Your sex is hard core, you're the devil's whore [Yeah!]

Your mama was one so you will be nothing more

Let me dog-fuck you, bitch, throw down hard  
If you don't cum for me, you won't for God!

Chorus

Verse 3

{Marquis} You must do it right, you freaky dyke!  
If you do it wrong you get no dick tonight [No dick  
tonight!]  
Dick in your mouth and in your ass is what you love  
While you're on your knees, give my homie some  
[Yeah!]  
{Kid Ice} Bitches know what's up when I'm in command  
'Cause Kid Ice is down with the next man [Riiiiight!]  
All the groupie hoes, I'm down with 'em  
'Cause at any time they'll let ALL THE BOYS FUCK 'EM!!

Chorus

Mr. Mixx:

Yeah! When we get them hoes, we let all the boys run  
up in 'em,  
y'knahmsayin'? Right about now we gon' let my man  
get loose!  
Mr. Heavy Metal man and stuff ... RUN THAT SHIT, BA-  
BYYYYY!!  
{long guitar riff} Yeah, we outta here!
