Yeah,
Woowah,
Uh, uh-huh,
C'mon, uh,
Yo, ch'mere,
Uh, uh

The first time I laid my eyes on you,
You know that, girl you know I had to, uh,
She had the honeycomb lips fired up, uh-huh,
I had the drop top, six chromed up, uh,
That sounds like we was meant to,
Girl, you were sent to,
From up above, heaven lent you,
To let me take your time, with the line, what's your
name?
You telling me you got a man, damn that's a shame

BRIDGE
Somebody let me know,
Why I gotta play all the time in a low-down?
It's a shame how I make you feel,
But it's hard girl, I'm trying to keep it real

CHORUS
It's a shame
uh-huh
You know your messing around with my heart
The way I'm playing with your heart girl
It's a shame, the way you, hurt me
I didn't meant to
[REPEAT 1x]

Like sugarbear, don't scandalize mine,
That's just how I play, get yourself in line,
My girlfriends phoning me, uh,
Asking why she found a pair of panties in the backseat,
uh,
Damn! I should have known I was wrong to,
I didn't mean to hurt you girl, I didn't want to
But she was too damn, tiggity boom,

Green eyes, jeans tight, and dark hair,
I freaking had to

BRIDGE

Somebody let me know, [uh-huh]
Why I gotta play all the time in a low-down? [low-down]
It's a shame how I make you feel,
But it's hard girl, I'm trying to keep it real [what]

CHORUS

It's a shame
uh-huh
You know your messing around with my heart
The way I'm playing with your heart girl
It's a shame, the way you, hurt me
I didn't meant to
[REPEAT 1x]

Pardon me girl, that it ain't what your thinking,
All alone, while your sleeping, I'm dreaming,
Trying to say
Is I got you, but I gotta get you, in my heart,
Girl, I gotta let you,
I need to stop that guy. I'm tryin to get it straight
Girl, it ain't no lie,
My best friend's telling me to chill now,
Need to hold it down,
Lady tell me, ain't you feel now

BRIDGE

Somebody let me know,
Why I gotta play all the time in a low-down? [yeah]
It's a shame how I make you feel,
But it's hard girl, [uh-huh] I'm trying to keep it real

CHORUS

It's a shame
uh-huh
You know your messing around with my heart
The way I'm playing with your heart girl
It's a shame, the way you, hurt me
I didn't meant to
[REPEAT 5x]
