revin' up the chevy and we're ready to go
betty's gettin' heavy and she's startin' to show
you can never tell her daddy that we did it in the back
of his caddy
tell me that he's never gonna know

maybe we can make it to the border today
if we get to california we can stay in LA
we'll be crashin here in venice with my brother's buddy
dennis and then it's..
gonna get a little better by the minute

oh don't let it go
shake it when ya wanna make it
break it when ya wanna fake it and ya wanna go

betty went and lef' me and i look like a clown
i was savin' all my pennies while she painted the town
it's a bummer i discovered that my lover has another
above her
did i forget to mention he's a drummer
(a drummer)

so i'm lookin' for a woman who can carry me home
and then maybe when i find her she can pollish my
chrome
cause my betty wasn't ready and i'm lookin' for a girl to
go steady
but only if she likes a little petty

oh don't let it go
shake it when ya wanna make it
break it when ya wanna fake it and ya wanna go

ya gotta shake it if ya wanna bring the baroness home
maybe i'm mistaken but if you can catch a tiger a toe
never let it go

ya think ya got me runnin' like a snake in the grass
but i'm venomous and yes ya better cover yer ass
'cause i'm comin'

lovin' like i'm livin' in the oven

oh don't let it go
shake it when ya wanna make it
break it when ya wanna fake it and ya wanna go

ya gotta shake it for the eeny meeny miney and moe
maybe i'm mistaken but if you can bring the baroness
home
never let it go
