Hey there stranger, take me dancin'  
Slip on your old shoes  
Tie your laces loose  
'Cause we're gonna do the tango  
Like we're born in Spain  
I don't even care, if I know your name  
We can make romance  
Just take a chance and dance

Feet don't fail me now  
I don't wanna be alone  
Feet don't fail  
Feet don't fail me now  
I don't wanna be alone  
Dancin' by myself  
Feet don't fail me now

Hey there lady I took dancin'  
Why you leavin' so soon?  
We could paint the moon  
I'll load up electric pigment  
On our finger tips  
I don't even care, if the color drips  
We can finger paint  
Stop don't run away

Feet don't fail me now  
I don't wanna be alone  
Feet don't fail  
Feet don't fail me now  
I don't wanna be alone  
Paintin' by myself  
Feet don't fail me now

Hey hey wait don't make me chase after you  
Love can wait but I sure need someone soon  
I don't wanna be alone  
Lemme take you home

Feet don't fail me now  
I don't wanna be alone

Feet don't fail  
Feet don't fail me now  
I don't wanna be alone  
Walkin' by myself

Feet don't fail me now  
I don't wanna be alone  
Feet don't fail  
Feet don't fail me now  
I don't wanna be alone  
Rockin' by myself
