you spat me out and sucked me in
this time i won't get stuck again
fall and fall, ever smile
playing me all the while

sukaz are born every minute
and i won't be fooled
sukaz are born every minute
and i won't be fooled
sukaz are born every minute
i get to say when we're finished
and i won't be fooled again

i stuffed your things in a garbage bag
this time i'll make you take them back
catching on a little late
making up for the wait

sukaz are born every minute
and i won't be fooled
sukaz are born every minute
and i won't be fooled
sukaz are born every minute
baby i'm in it to win it
and i won't be fooled again

fall and fall, ever smile
playing me all the while

sukaz are born every minute
and i won't be fooled
sukaz are born every minute
and i won't be fooled
sukaz are born every minute
i get to say when we're finished

sukaz are born every minute
and i won't be fooled
sukaz are born every minute
and i won't be fooled
sukaz are born every minute

baby i'm in it to win it
and i won't be fooled again
