You've got a job that you don't really like
I guess sometimes it keeps you up at night
The coffee's bitter at the corner store
You'd think you wouldn't notice anymore
But with the traffic
Everything is worse
Sometimes you think it's all an evil curse
You go to work and try to stay awake
And all for minimum wage

That's life
Suck it up
You only get one
That's life
Suck it up
You only get one

You watch a clock until the day is done
Seems like you hardly ever see the sun
The coffee's bitter in the conference room
But not as bitter as you
Just when you thought it wouldn't ever end
You find a ticket in the paper bin
You never thought that you could scratch and win
But every now and again

That's life
Suck it up
You only get one
That's life
Suck it up
You only get one

Limit one per customer
Cash value 1/100 of a cent
Redeemable before you die

That's life
Suck it up
You only get one
That's life

Suck it up
You only get one

That's life
Suck it up
You only get one
That's life
Suck it up
You only get one

That's life
