Everywhere I go  
Enemies conspire to my overthrow  
Searchin' high and low  
For some peace and quiet from the overflow

Na na na...

Tremolo  
Follows me everywhere I go  
Tremolo  
Tremolo  
Follows me everywhere I go  
Tremolo

Get away from me  
I can see you hidin' in the upstairs balcony  
Now I'm onto you  
Tryin' to make it seem like I'm as crazy as a loon

Na na na...

Tremolo  
Follows me everywhere I go  
Tremolo  
Tremolo  
Follows me everywhere I go  
Tremolo

Tremolo  
Follows me everywhere I go  
Tremolo

Tremolo  
Follows me everywhere I go  
Tremolo  
Tremolo  
Follows me everywhere I go  
Tremolo
