I was totally cool with the way things were goin'
Wasn't movin' too fast but my speed wasn't slowin'
Ducks in a row
Nice and easy
I was fine with the fact that my heart wasn't showin'
I was figurin' half of the battle was knowin' that we
could go down
Nice and easy
But then you let me in your house
And threw me on your yellow couch
You grabbed my head and then you made me wonder
when

We'll do it all again
We'll do it all again
Stumble and fall
Then do it all again

We were doin' ok when we lived in the moment
But a moment is only as long as ya hold it and when we
let go
Nothin' was easy
Ya kicked me out and took me back
You took me out and kicked me back
I broke our favorite record but it never ends

We'll do it all again
We'll do it all again
Stumble and fall
Then do it all again

But then you let me in your house
And threw me on your yellow couch
Ya grabbed my head and then ya made me wonder
when

We'll do it all again
We'll do it all again
Stumble and fall
Then do it all again
