"Come Over"

I'm not afraid to lose anyone
Who's not afraid to lose me
You just got too big for the shoes
And too thick for your head
Next time you want to come over
We can share my bed

But if you turn your back on me again
I'm gonna send you home, home, home
And if it's how it's going to be
You're gonna be alone, alone, alone

I've taken enough for the two of us
And now it's your turn
And I can't sail on my own
So you better catch on
You gotta stand up for once in your life
And turn it back on

But if you turn your back on me again
I'm gonna send you home, home, home
And if it's how it's going to be
You're gonna be alone, alone, alone
