### "It's All Right"

Beauty only follows wrinkles  
You've got time to grow out personality  
Blindness leads the simple  
Until you're strong enough to see

And you're breakin'  
And you're takin'  
And you're turning into something  
You are not  
And you're fakin'  
And foresakin'  
Everything that you believe

You don't go to choose your fears  
They come around to feed the tears  
And we were made for the punches  
Not live your life on benches

And you're breakin'  
And you're takin'  
And you're turning into something  
You are not  
And you're fakin'  
And foresakin'  
Everything that you believe

And it's all right  
And it's all right  
And it's all right  
And it's all right...
