I'm on the road again
The last to leave him
Would he ever remember me
Now I'm far away
The past behind me
Fallen shadows on a sunny day
[Chorus]
And I don't know just where I'm going
But I do know where I've been
Didn't we cry together?
I guess the tears ran dry
The memories came back slow
Goodbye Jeremy
Such a long way home
Goodbye Jeremy
Now living in the city,
All these people,
A million faces trying to find a way
And I'll say it thought it's silly
I can't find my style
I don't get as high as I used to
And I don't know just where I'm going
But I do know where I've been
Didn't we cry together?
I guess the tears ran dry
The memories came back slow
Goodbye Jeremy
Such a long way home
Goodbye Jeremy
The memories came back slow
Goodbye Jeremy
Oh!, and memories came back slow
Goodbye Jeremy, Goodbye Jeremy
