### "Roll Like Dice"

I roll like dice  
You can put me away real nice  
'Cause I, I won't cause trouble  
No more trouble for you  
I'm cold as ice  
I stopped to think twice  
Why, why I would hurt you

Let me hold you  
Let me hold you  
'Cause you break  
And you take  
And you please  
And you tease me  
Comes with ease  
When you touch me

I'm like a prize  
Pretty to unwrap and then...  
Time to throw away  
I look you in the eye  
Make you want to do crazy things  
So you think I don't know you

Let me hold you  
Let me hold you  
And you break  
And you take  
And you please  
And you tease me  
Comes with ease  
When you touch me
