Tell her I'll be waiting in the usual place  
With the tired and weary, and there's no escape  
To need a woman you've got to know  
How the strong get weak and the rich get poor

Slave to love, oh oh  
A slave to love

You're running with me don't touch the ground  
We're the restless hearted, not the chained and bound  
The sky is burning, a sea of flame  
Though your world is changing I will be the same

Slave to love, oh oh  
A slave to love  
A slave to love, na na na na, oh oh, na na na na  
A slave to love  
And I can't escape, I'm a slave to love

(I'm a slave to love)  
Can you help you help me  
(I'm a slave to you)  
Can you help you help me

A storm is breaking or so it seems  
We're too young to reason, too grown up to dream  
Now spring is turning your face to mine  
I can hear your laughter I can see your smile

Slave to love, oh oh  
A slave to love  
A slave to love, na na na na, oh oh, na na na na  
A slave to love  
And I can't escape I'm a slave to love

A slave to love, na na na na, oh oh (I'm a slave to you)  
A slave to love  
And I can't escape (Can't escape) I'm a slave to love

Na na na na  
(Can you help me)

And I can't escape (I'm a slave to love) I'm a slave to  
love
