### "The Good, The Bad And The Ugly"

We want the money  
We want the cars  
We want the good,  
The bad and the ugly  
'Cause we're fugly

And here's what you've got to do  
Take it all off  
You know you want to  
Here's what you've got to do  
Learn to talk to

Get ready  
To make all the wrong moves,  
We're not pretty  
And neither are you;  
You're natural,  
Look at you;  
A problem child,  
We want you...

You sold us your story  
And we love you  
And how 'bout the part  
Where I play you?  
You sold us your story  
And we love you  
Don't call us,  
We'll call you...

Take of your boots,  
You look a little stiff  
We like your kind around here  
Gotta roll like the rest of us
