I wanna yell when I see dem mistreating you
What am I supposed to do?
Please help me reveal the truth
I wanna yell when dem take away your dignity
No respect for humanity
How can we just let it be?

Ever since the time I can remember
These feelings I can't hide
Situations getting worse
De poor and piniky dem a cry

No food for dem to eat
Mama's hands and heart are tied
To much violence in da streets
Wonderin' who's next to die

I wanna yell when I see dem mistreating you
What am I supposed to do?
Please help me reveal the truth
I wanna yell when dem take away your dignity
No respect for humanity
How can we just let it be?

No, it can't go on
Can't let it go on

No, we won't go quietly
No, we won't stay in the dark
I've got hungry mouths to feed
Lack of jobs is all your fault
The pressure is getting higher
Who do I turn to?
We all got desires
And we're gonna push on through

I wanna yell when I see dem mistreating you
What am I supposed to do?
Please help me reveal the truth
I wanna yell when dem take away your dignity
No respect for humanity

How can we just let it be?

What am I supposed to do?
I Wanna yell

No, we won't go quietly
I've got hungry mouths to feed

No, it can't go on
Can't let it go on
This time it must be for real
No more under counter deal

I wanna yell when I see dem mistreating you
What am I supposed to do?
Please help me reveal the truth
I wanna yell when dem take away your dignity
No respect for humanity
How can we just let it be?
