Tell her I'll be waitin' in the usual place  
With the tired and weary, there's no escape  
To need a woman you've got to know  
How the strong get weak and the rich get poor

Slave to love  
Oh, a slave to love

You're runnin' with me, don't touch the ground  
We're restless hearted not the chained and bound  
The sky is burnin' a sea of flame  
Though your world is changin' I will be the same

Slave to love  
Oh, a slave to love  
Slave to love  
Oh, a slave to love  
I can't escape  
I'm a slave to love

I'm a slave to love  
Can you help me?  
I'm slave to you  
Can you help me?

A storm is breakin', or so it seems  
We're too young to reason, too grown up to dream  
Now Spring is turnin' your face to mine  
I can hear your laughter, I can see your smile

Slave to love  
Oh, a slave to love  
Slave to love  
Oh, a slave to love  
I can't escape  
I'm a slave to love

Slave to love  
Oh, slave to love  
Slave to love  
I can't escape  
I'm a slave to love

I can't escape  
I'm a slave to love
