Keeping a brave face in circumstances is impossible
Cannot describe
So many
Decisions
It's impossible
To know which is
The proper order - the best position, to be in
Take advantage or so it seems, the way it goes
It's tragic laid down on your side
Too easy
You know that you know
You're soaking wet, you talk too much, it's not
Necessary
Before the ice melts

I just want to say
This packet's yours
Don't ask for more,
Cos somewhere
Along the line
I've forgotten
Already
Sandman comes
Two to one
In the dark
Dark reflections
In my bed
In my head
Again
Sandman goes
Two in tow
Wet and dumb
Three's the number
Coming down
Coming round
Again
